Other Issues

University Collections and FTE Positions Adjustments

Including statewide adjustments, the FY 2022 General Appropriation Act appropriated \$56,863,400 from the University Collections Fund to UA - HSC. The Collections Fund for UA - HSC represents a portion of tuition, fees and a portion of land earnings. *(Please see ABOR Other Issues for more information.)* If collections differ from the appropriated amount, the annual General Appropriation Act includes a footnote permitting the universities to

expend those amounts as well as a separate footnote requiring the submission of a report detailing any adjustments to the appropriated amounts.

ABOR sets tuition in the spring (independent of the legislative process). Any revised tuition rates as well as changes in enrollment can result in collections exceeding (or being below) the appropriated amount. The Universities reported the adjustments to the University Collections Fund for FY 2022 to the Joint Legislative Budget Committee in June 2021, and UA incorporated the adjusted FY 2022 amounts as part of their FY 2023 budget submission. Accordingly, the estimated FY 2022 amount has been adjusted downward by \$(500,100) to \$56,363,300.

The FY 2022 FTE Position count has also been adjusted. The FY 2022 General Appropriations Act originally appropriated 1,308.8 FTE Positions in FY 2022 for the UA - HSC. The General Fund accounted for 784.1 FTE Positions and the University Collections Fund accounted for the remaining 524.7 FTE Positions. The estimated number of FY 2022 FTE Positions has been adjusted by (40.1) to 1,268.7. The General Fund accounts for 785.7 FTE Positions and the University Collections Fund accounts for the remaining 483 FTE Positions.
