Superior Court judges hear all types of cases except small claims, minor offenses, or violations of city codes and ordinances. In addition, the responsibility for supervising adults and juveniles who have been placed on probation resides in the Superior Court.

Operating Budget

The Baseline includes \$4,954,600 and 55.5 FTE Positions in FY 2023 for the operating budget. These amounts consist of:

	FY 2023
General Fund	\$4,604,800
Criminal Justice Enhancement Fund (CJEF)	332,600
Drug Treatment and Education Fund	4,000
Judicial Collection Enhancement Fund (JCEF)	13,200

These amounts are unchanged from FY 2022.

Background – These monies represent the administrative costs incurred by the Administrative Office of the Courts (AOC) while overseeing the various line items of the Superior Court budget.

Centralized Service Payments

The Baseline includes \$4,135,000 in FY 2023 for centralized service payments. This amount consists of:

General Fund	3,685,100
JCEF	449,900

These amounts are unchanged from FY 2022.

Background – In order to facilitate payment for services that are offered by all Superior Courts, AOC pays for various services centrally. These services include training, motor vehicle payments, Corrections Officer Retirement Plan Review Board funding, Literacy Education and Resource Network program funding (an online G.E.D. preparation program), research, operational reviews and GPS vendor payments.

Judges Compensation

The Baseline includes \$23,826,500 and 180 FTE Positions from the General Fund in FY 2023 for Judges Compensation. These amounts are unchanged from FY 2022.

Background – This line item provides funding for the state's 50% share of salary and non-health benefits. The line item also funds 100% of the costs of Superior Court Judges that elect state benefits, although some opt to participate in county programs. In the latter circumstance, the county pays 100% of the employer cost.

Pursuant to A.R.S. § 12-121, each county receives one judge for the first 30,000 of population. Additional judges

may be created for every additional 30,000-person increment upon approval by the Governor.

Probation Programs

The state and non-Maricopa Counties share the costs of probation. The state pays 100% of salary and benefits for all state-funded probation officers. For the intensive programs, the state pays 100% of the costs (although the counties may provide offices and other support services). Counties typically contribute through Probation Service Fee collections, outside grants, and office space. Since FY 2004, Maricopa County has assumed the state's share of its probation costs.

As required by a General Appropriation Act footnote, the monies in the Probation, Drug Court, Juvenile Treatment Services, Juvenile Diversion Consequences, and Juvenile Crime Reduction line items shall be used only as pass-through monies to the counties for their probation programs and are not available for AOC expenses.

A General Appropriation Act footnote requires AOC to submit an annual report on county-approved salary adjustments provided to probation officers since the last report. The Baseline continues to require the report but removes the JLBC review requirement.

Pursuant to A.R.S. § 13-916, 1 team shall not supervise more than 25 intensive probationers at one time. (Please see Table 2).

Community Punishment

The Baseline includes \$2,310,300 in FY 2023 for Community Punishment. This amount consists of:

CJEF	1,810,100
Drug Treatment and Education Fund	500,200

These amounts are unchanged from FY 2022.

Background – This line item provides behavioral treatment services for adult probationers and for enhanced supervision, such as electronic monitoring and specialized probation caseloads. The funding is intended to provide for diversion of offenders from prison and jail, as well as to enhance probation programs, excluding Maricopa County.

As of October 2021, AOC reported 181 active probationers under supervision under the Interstate Compact line item.

Drug Court

The Baseline includes \$1,080,000 from the General Fund in FY 2023 for Drug Court programs. This amount is unchanged from FY 2022.

Background – This line item provides funding for juvenile and adult drug courts within the Superior Court throughout the state. It provides funding for prosecuting, adjudicating and treating drug-dependent offenders.

These programs utilize drug education, intensive therapy, parent support, case management, socialization alternatives, aftercare and compliance monitoring for drug abstinence.

Juvenile Standard Probation

The Baseline includes \$3,705,600 in FY 2023 for Juvenile Standard Probation. This amount consists of:

General Fund	3,555,600
JCEF	150,000

These amounts are unchanged from FY 2022.

Background – This line item provides funding for community supervision services for juveniles placed on standard probation by the Juvenile Division of the Superior Court. Juvenile Family Counseling

The Baseline includes \$500,000 from the General Fund in FY 2023 for Juvenile Family Counseling. This amount is unchanged from FY 2022.

Background – This line item provides funding to the Juvenile Division of the Superior Court for prevention of delinquency among juvenile offenders by strengthening family relationships. These monies are predominantly for non-adjudicated juveniles and their families and require a 25% county match.

Juvenile Diversion Consequences

The Baseline includes \$8,918,600 from the General Fund in FY 2023 for Juvenile Diversion Consequences. This amount is unchanged from FY 2022.

Background – This program diverts youth from formal court proceedings to reduce court costs and prevent re-offending. A juvenile diversion probation officer assigns consequences for the juvenile to complete, such as substance abuse education, graffiti abatement, counseling, or other community service programs. According to the AOC’s most recent Juvenile Court Annual Report, there were approximately 7,415 juveniles diverted from formal court proceedings in FY 2020. Monies in this line item are distributed to all counties.

Juvenile Crime Reduction

The Baseline includes \$3,313,500 from CJEF in FY 2023 for Juvenile Crime Reduction. This amount is unchanged from FY 2022.

Strategies include prevention, early intervention, effective intermediate sanctions, and rehabilitation. Through a grant process, AOC distributes monies in this line item to approximately 25 public and private entities.

Special Water Master

The Baseline includes \$497,200 and 3 FTE Positions from the General Fund in FY 2023 for the Special Water Master line item. These amounts are unchanged from FY 2022.

Background – This line item provides funding for the Special Water Master assigned by the court to the Little Colorado River and Gila River water rights adjudications. In FY 2021, 673 water rights claims were filed by

individuals, communities, governments, and companies. The Special Water Master conducts hearings for each claimant and makes recommendations to a Superior Court judge.

Pursuant to statute, the costs of the Water Master are funded from claimant fees. If claimant fees are insufficient, statute requires the state General Fund to pay for these expenses in a line item within the Superior Court budget. *(Please see Table 1 for more information.)*

^{2/} Includes annual General Fund appropriation plus filing fees and interest.

General Adjudication Personnel and Support Fund Deposit

The Baseline includes \$2,000,000 from the General Fund in FY 2023 for a General Adjudication Personnel and Support Fund Deposit. This amount is unchanged from FY 2022.

The courts and the Department of Water Resources may use the General Adjudication Personnel and Support Fund for water adjudication staff, equipment, and services. Prior to spending any monies from the fund in FY 2022 and FY 2023, the Supreme Court must submit an expenditure plan to the Joint Legislative Budget Committee for review.

Probation Incentive Payments

The Baseline includes \$1,000,000 from the General Fund in FY 2023 for probation incentive payments. This amount is unchanged from FY 2022.

The monies in this line item pay for 2 funding programs to reward counties for reducing the number of probationers that are returned to state prison:

- Probation success incentive payments: Payments are distributed to counties if they return fewer probationers to prison in a fiscal year compared to a baseline (the average number returned in FY 2008, FY 2015 and FY 2019). Incentive payments are equal to 50% of the marginal incarceration cost in the Arizona Department of Corrections.
- Probation success incentive grants: The total grant funding is calculated in the same way as the incentive payments, but is equal to 25% of the marginal incarceration cost. Distribution of the grant funding amongst counties is determined by a board consisting of the chief probation officers of each county.

The amount distributed to each county from these programs is subject to available funding.

Probation Officer Vehicles

The Baseline includes no funding from the General Fund in FY 2023 for probation officer vehicles. FY 2023 adjustments are as follows:

Remove One-Time Funding

The Baseline includes a decrease of \$(187,500) from the General Fund in FY 2023 to remove one-time funding for 6 vehicles for the new Adult Intensive Probation officers.

These monies cover the one-time purchase costs of new vehicles for state-funded probation officers. Funding for the ongoing maintenance of these vehicles is added to the Centralized Service Payments line item.

Court-Ordered Removals

The Baseline includes \$315,000 from the General Fund in FY 2023 for Court-Ordered Removals. This amount is unchanged from FY 2022.

These monies help fund the costs associated with the Superior Court's processing and issuance of temporary orders of custody for juveniles removed from their home.

Other Issues

Probation Caseloads

AOC counts certain probationers as more than 1 case. For example, adult probationers charged with crimes against children are counted as 3 cases. As a result, reported probation counts do not represent actual headcounts.

The Courts' caseload estimate also includes the pre-release population who are inmates that will be released directly into probation supervision within 90 days. This time is commonly known as a "probation tail."

Non-Maricopa County weighted probation caseloads from all categories decreased by (4.6)% from June 2020 to June 2021. The JLBC Staff estimates total FY 2022 and FY 2023 caseloads of 18,794 and 18,931 from all categories, respectively. This would represent growth of 2.0% in FY 2022 and 0.7% in FY 2023. (Please see Table 2).
