**AGENCY DESCRIPTION** — The Arizona Lottery is responsible for administering sanctioned games of chance. In addition to Arizona-specific games, the state also participates in multi-state Powerball and Mega-Millions on-line games.

### FOOTNOTES

- <sup>1/</sup> Charitable Commissions, Instant Tickets, On-Line Vendor Fees, and Retailer Commissions are appropriated as a percentage of sales. Therefore, the amounts shown for those line items are estimates only.
- <sup>2/</sup> An amount equal to twenty percent of tab ticket sales is appropriated to pay sales commissions to charitable organizations. This amount is currently estimated to be \$1,560,000 in fiscal year 2022-2023. (General Appropriation Act footnote)
- <sup>3/</sup> An amount equal to 3.6 percent of actual instant ticket sales is appropriated to print instant tickets or to pay contractual obligations concerning instant ticket distribution. This amount is currently estimated to be \$38,638,200 in fiscal year 2022-2023. (General Appropriation Act footnote)
- <sup>4/</sup> An amount equal to a percentage of actual online game sales as determined by contract is appropriated to pay online vendor fees. This amount is currently estimated to be \$12,659,000, or 4.256 percent of actual online ticket sales, in fiscal year 2022-2023. (General Appropriation Act footnote)
- <sup>5/</sup> An amount equal to 6.5 percent of gross lottery game sales, minus charitable tab tickets, is appropriated to pay sales commissions to ticket retailers. An additional amount not to exceed 0.5 percent of gross lottery game sales is appropriated to pay sales commissions to ticket retailers. The combined amount is currently estimated to be 6.7 percent of total ticket sales, or \$91,916,500, in fiscal year 2022-2023. (General Appropriation Act footnote)
- <sup>6/</sup> General Appropriation Act funds are appropriated as an Operating Lump Sum with Special Line Items by Agency.

**Operating Budget**

The Baseline includes \$9,377,900 and 98.8 FTE Positions from the State Lottery Fund in FY 2023 for the operating budget. These amounts are unchanged from FY 2022.

**Advertising**

The Baseline includes \$15,500,000 from the State Lottery Fund in FY 2023 for Advertising. This amount is unchanged from FY 2022.

Monies in this line item are used to promote and market Lottery games.

**Charitable Commissions**

The Baseline includes \$1,560,000 from the State Lottery Fund in FY 2023 for Charitable Commissions. FY 2023 adjustments are as follows:

**Tab Ticket Increase**

The Baseline includes an increase of \$60,000 from the State Lottery Fund in FY 2023 to realign spending with projected revenues.

Monies in this line item are used to compensate charities for selling lottery 'Tab Tickets.' Tab Tickets are games sold exclusively by charitable organizations, who receive a 20% commission for selling the games. The displayed amount is derived by applying the approved percentage, 20%, to the forecasted Tab Ticket sales. A.R.S. § 5-555 also allows the department to collect up to 35% of total Tab Ticket sales (which includes the 20% commission) for their operating budget, with the remainder distributed as prizes.

**Instant Tickets**

The Baseline includes \$38,638,200 from the State Lottery Fund in FY 2023 for Instant Tickets. FY 2023 adjustments are as follows:

**Instant Ticket Sales Increase**

The Baseline includes an increase of \$1,491,500 from the State Lottery Fund in FY 2023 for Instant Tickets due to higher projected sales.

Monies in this line item are used to pay for instant ticket printing and distribution costs. The amount displayed is derived by applying the approved spending percentage of 3.6% to the forecasted sales total.

**On-Line Vendor Fees**

The Baseline includes \$12,659,000 from the State Lottery Fund in FY 2023 for On-Line Vendor Fees. FY 2023 adjustments are as follows:

**On-Line Sales Increase**

The Baseline includes an increase of \$486,800 from the State Lottery Fund in FY 2023 for On-Line Vendor Fees due to higher projected sales.

Monies in this line item are used to pay the vendor that operates the on-line game computer system. The actual appropriation is equal to a percentage of on-line ticket sales specified in the Lottery's contractual agreement with the vendor, which is 4.256%.

**Retailer Commissions**

The Baseline includes \$91,916,500 from the State Lottery Fund in FY 2023 for Retailer Commissions. FY 2023 adjustments are as follows:

**Retailer Commissions Increase**

The Baseline includes an increase of \$3,545,400 from the State Lottery Fund in FY 2023 for Retailer Commissions due to higher projected sales. *(See Table 1 for more information.)*

Monies in this line item are used to compensate retailers for selling lottery tickets. A.R.S. § 5-555 specifies that compensation to retailers will be at least 5.5% but not more than 8% of non-charitable Tab Ticket sales. The actual appropriation is equal to 6.5% of these sales. Pursuant to statute, an additional 0.5% of total non-charitable Tab Ticket sales may be paid to retailers based on their attainment of specified sales and marketing objectives. Since 40% of retailers are estimated to meet these objectives, this would result in an additional 0.2% in retailer commissions and a total retail commission rate of 6.7%. The displayed amount is derived by applying the approved percentage to the forecasted sales total.

**Other Issues****Keno**

Laws 2021, Chapter 234 expanded non-tribal gaming in the state and authorized the Department of Gaming to regulate event wagering and fantasy sports contests, along with authorizing the Lottery Commission to operate keno and mobile draw games. Keno is a lottery game where players select numbers ranging from 1-80

attempting to match 20 numbers chosen by a random number generator. (See the FY 2022 Appropriation Report Lottery Commission section for more information).

### **Lottery Forecast and Distributions**

The Baseline assumes an (8.4)% decrease in overall Lottery ticket sales in FY 2022, followed by a 4.0% increase in FY 2023. For FY 2022 and FY 2023, the Baseline assumes Lottery ticket sales of \$1,318,971,500 and \$1,371,887,360, respectively.

The FY 2022 forecasted sales and Special Line Items expenditures are revised from the amounts included as part of the FY 2022 Appropriations Report due to an updated FY 2022 sales forecast. These revised amounts are estimates based on the current sales forecast and the special line item percentages included in the FY 2022 General Appropriation Act footnotes. The final FY 2022 expenditures will be determined by the actual Lottery ticket sales during FY 2022.

### **Sources and Uses of Lottery Profit Distribution**

Table 1 shows the sources of forecasted Lottery profits by revenue stream and illustrates the actual distributions to fund beneficiaries for FY 2021 and the JLBC Staff projected distributions for FY 2022 and FY 2023. A brief description of each beneficiary follows in the order that they receive Lottery-generated revenue in accordance with A.R.S. § 5-534 and 5-572.

#### State Lottery Revenue Bond Debt Service Fund

Laws 2010, 6<sup>th</sup> Special Session, Chapter 4 authorized the Arizona Department of Administration (ADOA) to issue a 20-year, \$450,000,000 Lottery revenue bond by December 31, 2010 to be deposited into the General Fund. The payments were made from Lottery revenues that would have otherwise been deposited into the General Fund.

In December 2018, ADOA refinanced these bonds. Chapter 4 requires the first Lottery proceeds to be distributed to the State Lottery Revenue Bond Debt Service Fund.

The FY 2022 budget included one-time funding of \$269,550,000 from the General Fund to pay off the remaining Lottery Revenue Bond principal balance, ending the annual debt service payments beginning in FY 2022 and redirecting those revenues to the General Fund.

#### Maricopa County Mass Transit

The projected annual distribution of Powerball proceeds to the Maricopa Public Transportation Fund is \$11,476,800 in each FY 2022 and FY 2023. (See FY 2021 Appropriations Report for additional background.)

#### General Fund - Part 1

The statutory distribution requires the General Fund to receive up to \$84,150,000. The General Fund - Part 2 would receive up to an additional \$15,490,000 (for a total of \$99,640,000) after the statutory funding obligations have been met through the Homeless Shelters distribution. After all other statutory obligations have been met, the General Fund - Part 3 would receive all remaining revenues.

The profit distributions in FY 2022 and FY 2023 are forecasted to fulfill requirements for General Fund - Part 1 and Part 2. The full \$84,150,000 General Fund - Part 1 will be realized in FY 2022 and thereafter, as the state has retired the Lottery Revenue Bonds (whose debt service previously counted against this allocation).

#### Heritage Fund

Statute caps annual distributions to the Arizona Game and Fish Commission's Heritage Fund at \$10,000,000. The funds are used to promote wildlife habitat and education programs and to rehabilitate historic buildings. In FY 2022 and FY 2023, the fund is projected to receive its entire allocation.

#### Health and Welfare Programs

Statute requires annual inflation adjustments for the Health and Welfare distribution. The revised allocation cap is \$22,800,000 in FY 2022 and \$23,376,100 in FY 2023. These amounts are distributed among the following agencies:

- 29.4% to the Department of Child Safety for the Healthy Families program.
- 23.5% to the Arizona Board of Regents (ABOR) for the Arizona Health Education Center program.
- 17.6% to the Department of Health Services (DHS) for teenage pregnancy prevention.
- 11.8% to DHS for Disease Control Research.
- 11.8% to DHS for the Health Start program.
- 5.9% to DHS for the Women, Infants and Children food program.

Health and Welfare Programs are expected to receive their entire allocation in both FY 2022 and FY 2023.

### Homeless Shelters

Under the statutory distribution, DES would receive up to \$1,000,000 for Homeless Shelters. The department shall use the funding to distribute grants to nonprofit organizations, including faith based organizations, for homeless emergency and transitional shelters and related support services. The fund is estimated to receive its full allocation in both FY 2022 and FY 2023.

### General Fund - Part 2

As noted above, the General Fund would receive up to an additional \$15,490,000 after all prior allocations have been met. In FY 2022 and FY 2023, the General Fund is estimated to receive its entire allocation of \$15,490,000.

### Arizona Competes Fund

Statute caps annual distributions to the Arizona Competes Fund at \$3,500,000. Allotments to this fund are used for administering grants to qualifying businesses for the purpose of attracting, retaining, and expanding business within the state. This fund is estimated to receive its full allocation in both FY 2022 and FY 2023.

### University Capital Improvement (UCI) Fund

This fund serves as the source for up to 80% of the annual debt service associated with \$800,000,000 of University Capital construction Stimulus Plan for Economic and Educational Development (SPEED) bonds. This fund received \$38,203,500 in FY 2021. Based on ABOR data which includes current and planned SPEED bond issuances, the UCI Fund is expected to require \$37,780,000 in FY 2022 and \$37,798,700 in FY 2023 to make the expected 80% level of debt service payments. *(Please see the FY 2023 Arizona Board of Regents Capital Outlay section for more details.)*

### Current Year/Deferred General Fund - Part 3

The General Fund receives all remaining revenues after all statutory funding obligations have been met. Due to the timing of Lottery profit transfers and the current level of ticket sales, the Lottery Commission's recent practice is to make a partial General Fund – Part 3 transfer (based on current year sales). Following a year-end audit, the Commission then transfers the remaining profits in a Deferred General Fund - Part 3 in the succeeding fiscal year.

The Baseline forecast assumes that for each forecast year's ticket sales (FY 2022 and FY 2023), the Lottery Commission will transfer 50% of the Part 3 profits in the current year and 50% of Part 3 profits in a deferred transfer during the next fiscal year.

### Total Distributions to the General Fund

Total FY 2022 distributions to the General Fund consist of the FY 2022 General Fund Part 1, Part 2, and partial Part 3 profit transfers plus the delayed prior year Part 3 transfer from FY 2021. With a FY 2022 Part 1 transfer of \$84,150,000, a Part 2 FY 2022 transfer of \$15,490,000, and a partial Part 3 FY 2022 transfer of \$35,370,200 and a FY 2021 delayed transfer of \$87,400,000, total FY 2022 distributions to the General Fund are forecast to be \$222,410,200.

Total FY 2023 distributions to the General Fund are forecast to be \$175,241,500, which includes: a FY 2023 Part 1 transfer of \$84,150,000, a Part 2 FY 2023 transfer of \$15,490,000, and a partial Part 3 FY 2023 transfer of \$40,231,300 and a FY 2022 delayed transfer of \$35,370,200. *(See Table 1 for more information).*

<b>Total Transfers</b>	<b>\$281.6</b>	<b>\$256.9</b>	<b>\$267.3</b>
<b><u>General Fund</u></b>			
Delayed Prior Year Transfer <sup>5/</sup>	31.4	87.4	35.3
General Fund - Part 1	49.6	84.2	84.2
General Fund - Part 2	15.5	15.5	15.5
General Fund - Part 3	<u>8.2</u>	<u>35.3</u>	<u>40.2</u>
<b>Total General Fund <sup>5/</sup></b>	<b>\$104.7</b>	<b>\$222.4</b>	<b>\$175.2</b>

<sup>1/</sup> A.R.S. § 5-554H allows the commission to sell tab tickets from vending machine in age-restricted areas. Profits from these sales are distributed to the Internet Crimes Against Children Enforcement Fund (ICACEF) and the Victims' Rights Enforcement Fund (VREF), respectively. The ICACEF Fund receives up to \$900,000 and the VREF receives up to \$100,000. If net profits from age-restricted tab tickets are less than \$1.0 million, then the difference will be paid to ICACEF and VREF from unclaimed prize monies in the State Lottery Fund. In FY 2021, \$601,000 was distributed to the ICACEF/VREF from the sale of tab tickets. An estimated \$579,900 and \$603,100 will be distributed in FY 2022 and FY 2023, respectively. (See Footnote 4.)

<sup>2/</sup> Prizes are estimated by subtracting net profit, operating budget expenditures, the Department of Gaming transfer, and the ICACEF/VREF sales transfer from total Lottery sales.

<sup>3/</sup> To derive the profit transfer amounts, the historical rate of return for each game was applied to the current budget forecast. The total rate of return on all games in FY 2021 was 19.61%. The estimated total profit margin is 19.55% in FY 2022 and 19.55% in FY 2023.

<sup>4/</sup> In addition to these listed transfers, the following monies are distributed:

- 30% of unclaimed prizes to the Court Appointed Special Advocates program.
- 15% of unclaimed prizes, not to exceed \$325,000 to the Tribal College Dual Enrollment Program Fund (This distribution was \$160,000 in FY 2016, but was increased to \$250,000 pursuant to Laws 2016, Chapter 124 and increased again to \$325,000 pursuant to Laws 2021, Chapter 404).
- An estimated \$420,100 in FY 2022 and \$396,900 in FY 2023 of unclaimed prizes to ICACEF and VREF.

<sup>5/</sup> Due to the timing of Lottery profit transfers, part of the General Fund - Part 3 transfer actually occurs in the succeeding fiscal year. As such, the General Fund total reflects deposits that actually occur within the fiscal year, whereas the Net Profit and Total Transfers lines reflect figures reported by the Lottery that are derived from ticket sales that occur during the fiscal year.

SUMMARY OF FUNDS	FY 2021 Actual	FY 2022 Estimate
<b>State Lottery Fund (LOA2122/A.R.S. § 5-571)</b>		<b>Appropriated</b>
<b>Source of Revenue:</b> Sales of lottery tickets, retailer license fees, and interest earnings.		
<b>Purpose of Fund:</b> To pay for all costs of the Arizona State Lottery Commission. After all Lottery Commission expenses are paid, including the prize monies displayed in the Non-Appropriated funds expended, Lottery profits are distributed to a number of different functions. Please see the Non-Appropriated portion of the fund for additional information.		
<b>Funds Expended</b>	162,491,800	164,067,900
<b>Year-End Fund Balance</b>	85,054,400	37,193,200
<b>State Lottery Fund (LOA2122/A.R.S. § 5-571)</b>		<b>Non-Appropriated</b>
<b>Source of Revenue:</b> Sales of lottery tickets, retailer license fees, and interest earnings.		
<b>Purpose of Fund:</b> For payment of prizes to the holders of winning tickets from games administered by the Arizona State Lottery Commission. After all Lottery Commission expenses are paid, including prize monies, Lottery profits are distributed to a number of different functions. Please see the Appropriated portion of the fund for additional information.		
<b>Funds Expended</b>	994,640,700	897,086,500
<b>Year-End Fund Balance</b>	85,054,400	37,193,200
