Clean Elections Fund Balance

Proposition 200 was approved in the 1998 General Election, creating the Clean Elections Fund. The fund, which helps finance participating candidate campaigns, receives revenue from a 10% surcharge on civil and criminal fines, qualifying contributions from participating candidates, and penalties paid by candidates. A maximum of 10% of the fund's revenues may be used to enforce the Citizens Clean Elections Act, and another 10% may be spent on voter education.

In FY 2023, the fund had revenues of \$6,022,900, which combined with the fund's beginning balance results in total available funds of \$35,996,900. This compared to spending of \$9,019,100 in FY 2023. For FY 2024, the commission estimates annual fund revenue will be \$5,011,000, compared to \$5,185,100 in spending. Along with surpluses from prior years, the commission forecasted the fund will have a balance of \$26,803,700 at the end of FY 2024.
