A juvenile diversion probation officer assigns consequences for the juvenile to complete, such as substance abuse education, graffiti abatement, counseling, or other community service programs.

According to the AOC's most recent Juvenile Court Annual Report, there were approximately 7,135 juveniles diverted from formal court proceedings in FY 2025. Monies in this line item are distributed to all counties.

Background – This line item provides funding for the design and implementation of community-based strategies for reducing juvenile crime. Strategies include prevention, early intervention, effective intermediate sanctions, and rehabilitation. Through a grant process, AOC distributes monies in this line item to approximately 25 public and private entities.

Probation Incentive Payments

The budget includes \$1,000,000 from the General Fund in FY 2027 for probation incentive payments. This amount is unchanged from FY 2026.

The monies in this line item pay for 2 funding programs to reward counties for reducing the number of probationers that are returned to state prison:

- Probation success incentive payments: Payments are distributed to counties if they return fewer probationers to prison in a fiscal year compared to a baseline (the average number returned in FY 2008, FY 2015 and FY 2019). Incentive payments are equal to 50% of the marginal incarceration cost in the Arizona Department of Corrections.
- Probation success incentive grants: The total grant funding is calculated in the same way as the incentive payments, but is equal to 25% of the marginal incarceration cost. Distribution of the grant funding amongst counties is determined by a board consisting of the chief probation officers of each county.

The amount distributed to each county from these programs is subject to available funding.

Other Programs

Special Water Master

The budget includes \$511,100 and 3 FTE Positions from the General Fund in FY 2027 for the Special Water Master line item. These amounts are unchanged from FY 2026.

Background – This line item provides funding for the Special Water Master assigned by the court to the Little Colorado River and Gila River water rights adjudications. In FY 2025, 553 water rights claims were filed by individuals, communities, governments, and companies. The Special Water Master conducts hearings for each claimant and makes recommendations to a Superior Court judge.

Pursuant to statute, the costs of the Water Master are funded from claimant fees. If claimant fees are insufficient, statute requires the state General Fund to pay for these expenses in a line item within the Superior Court budget. *(Please see Table 1 for more information.)*

Table 1

^{1/} As reported by the Administrative Office of the Courts and adjusted by the JLBC.

^{2/} Includes annual General Fund appropriation plus filing fees and interest.

General Adjudication Personnel and Support Fund Deposit

The budget includes \$2,000,000 from the General Fund in FY 2027 for a General Adjudication Personnel and Support Fund Deposit. This amount is unchanged from FY 2026.

The courts and the Department of Water Resources may use the General Adjudication Personnel and Support Fund for water adjudication staff, equipment, and services.

Court-Ordered Removals

The budget includes \$315,000 from the General Fund in FY 2027 for Court-Ordered Removals. This amount is unchanged from FY 2026.

These monies help fund the costs associated with the Superior Court's processing and issuance of temporary orders of custody for juveniles removed from their home.

Other Issues

Fund Transfers

The budget includes the following transfers from this agency's funds to the General Fund:

	FY 2026
Juvenile Probation Services Fund	\$4,000,000

CORP Employer Contribution Increase

For most Corrections Officer Retirement Plan (CORP) employees hired after 7/1/2018 (Tier 3 employees), the retirement plan includes an annual employer contribution that consists of: 1) a fixed 5% deposited into the employee's defined contribution retirement account; 2) actuarial rates associated with disability and post-retirement health coverage; and 3) an actuarial rate associated with paying down the unfunded liabilities of CORP employees hired before 7/1/2018.

The FY 2026 Criminal Justice Budget Reconciliation Bill (BRB) increased the fixed employer contribution rate for Tier 3 employees from 5.0% to 5.5% beginning in FY 2027. The BRB states that the Legislature intends to fully cover the cost of this increase for both state agencies and local governments beginning in FY 2027. The budget funds this retirement rate increase by including retirement funding in statewide adjustments in the department's operating budget.

Probation Caseloads

AOC counts certain probationers as more than 1 case. For example, adult probationers charged with crimes against children are counted as 3 cases. As a result, reported probation counts do not represent actual headcounts. The Courts' caseload estimate also includes the pre-release population who are inmates that will be released directly into probation supervision within 90 days. This time is commonly known as a "probation tail."

Non-Maricopa County weighted probation caseloads from all categories increased by 0.06% from June 2024 to June 2025. The JLBC Staff estimates total FY 2026 and 2027 caseloads of 20,348 and 20,775 from all categories, respectively. This would represent an increase of 2.1% in FY 2026 and FY 2027. *(Please see Table 2)*
