AGENCY DESCRIPTION — Article 11 of the Arizona Constitution creates the Arizona Board of Regents (ABOR). ABOR governs the 3 state institutions comprising the Arizona University System: Arizona State University (ASU), Northern Arizona University (NAU), and the University of Arizona (UA). The board is legally, fiscally, and strategically responsible for the state universities.

FOOTNOTES

- ^{1/} The Arizona board of regents shall distribute monies appropriated for the adaptive athletics line item to each university under the jurisdiction of the board to maintain and operate an intercollegiate adaptive athletics program that provides opportunities for competitive wheelchair and adaptive sports to students and community members with disabilities. The monies may be spent only when the university collects matching monies of gifts, grants and donations for the intercollegiate adaptive athletics program from sources other than this state. Universities may spend the monies only on scholarships, equipment, uniforms, travel expenses and tournament fees for participants in the intercollegiate adaptive athletics program. The monies may not be used for administrative costs, personal services or employee related expenditures. (General Appropriations Act footnote)
- ^{2/} In order to be eligible to receive state matching monies under the leveraging educational assistance partnership program for grants to students, each participating institution, public or private, shall provide an amount of institutional matching monies that equals the amount of monies provided by this state to the institution for the leveraging educational assistance partnership program. Administrative expenses incurred by the Arizona board of regents shall be paid from institutional matching monies and may not exceed twelve percent of the monies appropriated in fiscal year 2026-2027. (General Appropriations Act footnote)

- 3/ On or before December 1, 2027, the Arizona board of regents shall submit a report to the director of the joint legislative budget committee and the director of the governor's office of strategic planning and budgeting on the Arizona promise program that includes all of the following for fiscal year 2026-2027:
 1. The total number of students receiving promise scholarships by each eligible postsecondary institution.
 2. The total number of students enrolled at each eligible postsecondary institution that are eligible to receive federal pell grants.
 3. A list of the programs of study in which promise scholarship recipients are enrolled, including the number of recipients enrolled in each program.
 4. The average promise scholarship award amount for each eligible postsecondary institution.
 5. A geographic representation of promise scholarship recipients based on the high school attended.
 6. The average grade point average of promise scholarships recipients by each eligible postsecondary institution. (General Appropriations Act footnote)
- 4/ On or before October 1, 2027, the Arizona board of regents shall submit a report to the director of the joint legislative budget committee and the director of the governor's office of strategic planning and budgeting on spouses of military veterans tuition scholarships that includes all of the following for fiscal year 2026-2027:
 1. The amount distributed to each eligible postsecondary institution.
 2. The total number of award recipients by each eligible postsecondary institution.
 3. The average award amount for each eligible postsecondary institution. (General Appropriations Act footnote)
- 5/ The Arizona board of regents shall distribute monies appropriated for Washington, D.C. internships for program fees and housing costs in equal amounts to each of the three universities under the jurisdiction of the board for the purpose of providing student internships, short-term programs and regional programs in partnership with a third-party organization. Short-term programs include one-week seminars and learning opportunities shorter than one academic semester. The third-party organization must meet the following requirements:
 1. Have partnerships with Washington, D.C.-based organizations to provide full-time, semester-long student internships and short-term programs.
 2. Have the ability to place as many students in internships and short-term programs as needed by the universities.
 3. Have experience placing students in internships for at least ten consecutive years.
 4. Have dedicated staff to ensure that student interns have access to internships and short-term programs in their areas of interest. (General Appropriations Act footnote)
- 6/ Within ten days after the acceptance of the universities' semiannual all funds budget reports, the Arizona board of regents shall submit a current year expenditure plan to the joint legislative budget committee for review. The expenditure plan shall include the use of all projected tuition and fee revenues by expenditure category, including operating expenses, plant fund, debt service and financial aid. The plan shall include the amount by which each expenditure category is projected to increase over the prior year and shall provide as much detail as the university budget requests. The plan shall include the total revenue and expenditure amounts from all tuition and student fee revenues, including base tuition, differential tuition, program fees, course fees, summer session fees and other miscellaneous and mandatory student fee revenues. (General Appropriations Act footnote)
- 7/ General Appropriations Act funds are appropriated as an Operating Lump Sum with Special Line Items by Agency.

Operating Budget

The budget includes \$3,276,400 and 30.9 FTE Positions from the General Fund in FY 2027 for the operating budget. Adjustments are as follows:

Statewide Adjustments

The budget includes a decrease of \$(14,700) from the General Fund in FY 2027 for statewide adjustments. *(Please see the Agency Detail and Allocations section.)*

Operating Budget Lump Sum Reduction

The budget includes a one-time decrease of \$(82,300) from the General Fund in FY 2027 for a lump sum

reduction. Agencies receiving a lump sum appropriation will apply the reduction to the operating lump sum appropriation in the FY 2028 budget request submittal. Agencies have discretion in how the reduction in spending is achieved. The FY 2028 Baseline Book will incorporate the agency's planned reduction into the operating budget display.

Adaptive Athletics

The budget includes \$160,000 from the General Fund in FY 2027 for Adaptive Athletics. This amount is unchanged from FY 2026.

ABOR is required to distribute monies in this line item to the 3 state universities for intercollegiate adaptive athletics programs for students with physical challenges. These programs may only use this appropriation when matching monies are collected, and may only use monies for scholarships, equipment, uniforms, travel expenses, and tournament fees for program participants. ABOR distributes monies in this line item to the University of Arizona.

Leveraging Education Assistance Partnership Program

The budget includes \$1,220,800 from the General Fund in FY 2027 for the Leveraging Education Assistance Partnership (LEAP) Program. This amount is unchanged from FY 2026.

LEAP is a state and institutional partnership that provides financial assistance to students demonstrating substantial financial need. To be eligible, students must attend, on at least a half-time basis, an approved program at a properly accredited Arizona postsecondary educational institution (including public universities, public community colleges, private collegiate institutions, and proprietary schools).

Arizona Promise Program

The budget includes \$20,000,000 from the General Fund in FY 2027 for the Arizona Promise Program. Adjustments are as follows:

Remove One-Time Program Funding

The budget includes a decrease of \$(16,300,000) from the General Fund in FY 2027 for the elimination of one-time Promise Program funding.

The Arizona Promise Program provides financial assistance to full-time university students who qualify for in-state tuition, graduated from an Arizona high school with a minimum 2.5 cumulative grade point average, and meet the eligibility requirements for federal Pell Grants. Pell awards are determined based on the expected family contribution and the cost of attendance. Across all three state universities, 91,435 students were Pell-eligible in FY 2025. The maximum Pell award for the 2026-2027 academic year was \$7,395.

Monies for the program are deposited to the Arizona Promise Program Fund and up to 3% of the monies can be used to pay for marketing and administration expenses. If the appropriation is insufficient to cover the costs of students who qualify for Promise scholarships, the universities are required to guarantee the award. Pursuant to A.R.S. § 15-1809(E), the Arizona Promise Program Fund received an additional \$17,367,100 from

the Spouses of Military Veterans Tuition Scholarship Fund in FY 2026.

In FY 2025, this program served 22,888 students, and the average award amount was \$9,294. Total awards include funding from the General Fund and institutional aid provided by the universities.

The FY 2025 Higher Education BRB established an Arizona Community Colleges Promise Program Fund, administered by the Arizona Board of Regents. Pursuant to A.R.S. § 15-1809(E), the Community Colleges Promise Program Fund received \$2,894,500 from the Spouses of Military Veterans Tuition Scholarship Fund in FY 2026.

Spouses of Military Veterans Tuition Scholarships

The budget includes \$10,000,000 from the General Fund in FY 2027 for Spouses of Military Veterans Tuition Scholarships. This amount is unchanged from FY 2026.

ABOR deposits monies in this item to the Spouses of Military Veterans Tuition Scholarship Fund and distributes awards to university and community college resident students who are spouses of an honorably discharged veteran and qualify for in-state tuition. The scholarships are provided as last dollar aid on a first-come, first-served basis for up to 4 years.

In FY 2025, this program served 219 students, and the average award amount was \$5,720.

If sufficient monies are available, A.R.S. § 15-1808(B) requires ABOR to distribute surplus scholarship monies to the universities for costs associated with tuition waivers for children and spouses of veterans, peace officers, and firefighters in Arizona who suffered a post-traumatic stress injury and died by suicide. After surplus monies are used pursuant section 15-1808(B), A.R.S. § 15-1809(E) requires that any monies remaining in the fund on June 30 of each year be distributed as follows:

- \$500,000 or the amount of remaining monies, whichever is less, in the Spouses and Dependents of Law Enforcement Officers Tuition Scholarship Fund. Following this deposit.
- Any remaining monies are deposited to the following funds: 60% in the Arizona Promise Program Fund, 30% in the Teacher's Academy Fund and 10% in the Community College Promise Program Fund.

Arizona Teachers Academy

The budget includes \$15,000,000 from the General Fund in FY 2027 for the Arizona Teachers Academy. These amounts are unchanged from FY 2026.

The Arizona Teachers Academy provides tuition and fee awards to university students enrolled in education and non-education majors, community college students enrolled in post-baccalaureate teacher certification programs, and teachers seeking national board certification. For every year of receipt, students agree to teach 1 year in an Arizona public school.

Monies for the academy are deposited to the Arizona Teachers Academy Fund and up to 3% of the monies may be used for marketing and administration expenses. ABOR provides centralized administrative processes for the academy, including distributing appropriated monies to eligible postsecondary institutions. Pursuant to A.R.S. § 15-1809(E), the Arizona Teachers Academy Fund received an additional \$8,683,500 from the Spouses of Military Veterans Tuition Scholarship Fund in FY 2026.

In FY 2025, 3,064 students were enrolled in the academy, of which 837 attended ASU, 1,299 attended NAU, 401 attend UA, 353 were community college postbaccalaureate students, and 174 were teachers seeking a national board certification (*Please see the Arizona Teachers Academy program summary on the JLBC website for additional information.*)

Arizona Teachers Incentive Program

The budget includes \$90,000 from the General Fund in FY 2027 for the Arizona Teachers Incentive Program (ATIP). This amount is unchanged from FY 2026.

Laws 1990, Chapter 340 mandates that ABOR establish and administer a loan program for students of deaf and blind education at the UA College of Education. Students may earn forgiveness for their loans by teaching in an Arizona deaf and blind program for a time equal to their period of loan support.

Arizona Teacher Student Loan Program

The budget includes \$426,000 from the General Fund in FY 2027 for the Arizona Teacher Student Loan Program (ATSLP). This amount is unchanged from FY 2026.

ATSLP offers forgivable loans to resident students pursuing a teaching degree at a private postsecondary institution and who agree to teach math, science, or

special education at an Arizona public school upon graduation. Students in the program are required to teach for 1 year for each year that they receive the loan, plus 1 additional year. Teachers must practice in rural, low-income, or tribal schools.

Arizona Transfer Articulation Support System

The budget includes \$213,700 from the General Fund in FY 2027 for the Arizona Transfer Articulation Support System (ATASS). This amount is unchanged from FY 2026.

A.R.S. § 15-1824 establishes ATASS as a joint initiative, among the public community colleges and universities, to facilitate efficient transfer of course curricula and credits. The tribal colleges and community college districts overall contribute \$277,200 to the system each year. The 3 state universities also contribute a combined \$277,200 to the system each year.

Washington, D.C. Internships

The budget includes \$300,000 from the General Fund in FY 2027 for Washington, D.C. internships and short-term programs. Adjustments are as follows:

Remove One-Time Program Funding

The budget includes a decrease of \$(150,000) from the General Fund in FY 2027 for the elimination of one-time Washington D.C. internship and short-term program scholarship funding.

ABOR distributes monies in this line item in equal amounts to each of the 3 state universities to provide internships in partnership with a third-party organization. These monies fund approximately 40 student internships each year.

Western Interstate Commission Office

The budget includes \$153,000 from the General Fund in FY 2027 for the Western Interstate Commission Office. This amount is unchanged from FY 2026.

Monies in this line item pay the state's share of administrative expenditures for the Western Interstate Commission on Higher Education (WICHE), in accordance with A.R.S. § 15-1742. The WICHE central office sets the administrative fee.

WICHE Student Subsidies

The budget includes \$4,078,000 from the General Fund in FY 2027 for WICHE student subsidies. This amount is unchanged from FY 2026.

Monies in this line item provide subsidies to Arizona students participating in the WICHE Professional Student Exchange Program (PSEP). Since the Arizona University System does not currently offer programs in dentistry, optometry, osteopathy, or podiatry, PSEP allows interested students to enroll in these programs at private in-state institutions or other public western universities.

Participating students receive admissions preference and subsidized tuition. A.R.S. § 15-1745 requires graduates to practice 1 year in Arizona, or 6 months in an under-served Arizona community, for each year of WICHE support. Participants who fail to meet their service requirements must repay 100% of their subsidies, plus interest. The WICHE central office determines subsidy amounts for each program through negotiations with participating institutions. As rough guidance, WICHE subsidies are intended to cover the difference between resident and non-resident tuition at a public university or approximately half the private university tuition rate.

Other Issues

This section includes information on the following topics:

- Statutory Changes
- Long-Term Budget Impacts
- Arizona Financial Aid Trust
- 2003 Research Infrastructure Refinancing
- 2017 University Capital Infrastructure Funding
- Tuition Distribution
- University System Summary Tables

Statutory Changes

The Higher Education BRB makes the following changes:

- As session law, continues to suspend the statutory requirement that the state provide a 2:1 ratio of state funding to student fees deposited into the Arizona Financial Aid Trust (AFAT).
- As permanent law, increases the Veterinary Loan Assistance Program per student maximum from \$100,000 to \$200,000 and require ABOR to distribute funds to veterinarians in proportional distributions to the total assistance amount after each year of the 4-year service requirement.

- As permanent law, amends A.R.S. § 15-1626 to limit the Board of Regents authority to retain University monies to supplement the Board's operating budget to no more than \$5 million annually.

Long-Term Budget Impacts

As part of the budget's 3-year spending plan, university wide General Fund costs are projected to increase by \$15,153,800 in FY 2028 above FY 2027 and increase by \$625,400 in FY 2029 above FY 2028. These estimates are based on:

- Decreases of \$(1,400) and \$(13,600) in FY 2028 and FY 2029, respectively, to adjust for university debt service costs. *(Please see the 2003 Research Infrastructure Refinancing narrative for more information.)*
- Increases of \$626,500 and \$639,000 in FY 2028 and FY 2029, respectively, to increase the universities' annual Capital Infrastructure Funding appropriation. *(Please see the 2017 University Infrastructure Funding narrative for more information.)*
- An increase of \$15,528,700 in FY 2028 to restore operating lump sum funding.
- A decrease of \$(500,000) in FY 2028 to remove one-time UA funding for Water Adjudication.
- A decrease of \$(500,000) in FY 2028 to remove one-time UA funding for AZ REACH.

Please see the individual university campus sections for additional information.

Arizona Financial Aid Trust

Pursuant to A.R.S. § 15-1642, General Fund monies match financial aid tuition surcharges collected from university students for the Arizona Financial Aid Trust (AFAT). The AFAT fee is 1% of the full-time resident undergraduate base tuition rate, or \$118-\$122 in FY 2026 on the main campuses, depending on the university. All students pay roughly the same fee, except part-time students, who pay half the regular fee.

The FY 2027 budget continues to suspend the statutory requirement that the state provide a 2:1 ratio of state funding to student fees in FY 2027. The budget also maintains each university's FY 2027 allocation of General Fund AFAT appropriations at their FY 2026 level, which appears in the individual university budgets. Based on student fees contributed to AFAT in FY 2025 (the most recent year of data available), the state's match would have been \$57,075,800, or an increase of \$47,034,600 over the \$10,041,200 appropriation in FY 2027.

Each university retains 25% of its annual AFAT student fees and state contributions in an AFAT endowment account. The remaining 75% of the student fees and state contributions, as well as 75% of the endowment's annual interest earnings, are used to provide immediate assistance for needy in-state students.

In addition to student fee revenue, pursuant to A.R.S. § 15-1670, universities deposit 20% of cumulative net income from the sale or transfer of intellectual property exceeding \$1,000,000 to AFAT.

In FY 2025, AFAT disbursed \$33,824,800. This is the most recent year of data available. *(Please see Table 3 for additional information on financial aid.)*

2003 Research Infrastructure Refinancing

Laws 2003, Chapter 267, which established A.R.S. § 15-1670, appropriated for FY 2008 to FY 2031 monies to the universities each year for lease-purchase capital financing of research infrastructure projects such as installations and facilities for the continuance and growth of scientific and technological research activities. In total, the universities issued \$482,500,000 in COPs for research infrastructure projects. There will be no further issuances for this program.

Due to subsequent refinancing, the FY 2017 Higher Education BRB amended A.R.S. § 15-1670 to revise the FY 2018 to FY 2031 research infrastructure appropriations to correspond to the universities' current debt service schedules. The appropriations are displayed in each individual university section. *(Please see Table 1 for more information.)*

2017 University Capital Infrastructure Funding

Laws 2017, Chapter 328 established A.R.S. § 15-1671, which provides General Fund appropriations from FY 2019 - FY 2043 for new university research facilities, building renewal, or other capital construction projects. The law appropriated \$27,000,000 to the universities in FY 2019 and increases the appropriation each year thereafter by the lesser of 2.0% or inflation. The appropriations are displayed in each individual university section.

The allocation of the original FY 2019 \$27,000,000 statutory amount was based on each university's share of the systemwide transaction privilege tax (TPT) collections in FY 2016.

Tuition Distribution

A.R.S. § 15-1626 allows the universities to retain a portion of tuition collections for expenditures, as approved by ABOR. These "locally" retained tuition monies are considered non-appropriated and are deposited into accounts labeled as "Designated" funds. Any remaining tuition revenues are deposited to university "Collections" funds as part of the appropriated budget. The FY 2027 Higher Education BRB limits the amount of university monies ABOR can retain for the Board's operating budget to no more than \$5 million annually. While Financial Aid and Debt Service are primarily non-appropriated, general operating expenses are paid from both appropriated and non-appropriated tuition accounts. ABOR's June 2025 tuition revenue report projected FY 2026 gross tuition and fees to be \$5.0 billion systemwide.

The reported gross tuition revenues reflect the amounts the universities would receive if all students paid full published tuition and fee rates. The actual amounts paid by students after accounting for tuition waivers and other gift aid awarded by the universities would constitute net tuition. In June 2025, the universities projected \$1.3 billion in tuition waivers and awards in FY 2026, for a total net tuition of \$3.7 billion. Please see the November 10, 2025 Joint Legislative Budget Committee meeting agenda for additional information on university tuition revenue projections.

University System Summary Tables

The University Summary Tables address the following:

- Total Spending Authority
- Financial Aid
- Enrollment

Total Spending Authority

In total, the universities' total projected spending authority in FY 2027 is \$10.11 billion, including \$993.2 million from the General Fund and \$3.7 billion of net tuition/fee collections. *Table 2* summarizes the FY 2027 expenditure authority amounts for the Arizona University System.

Financial Aid

The Arizona University System distributed \$3.76 billion in financial aid in FY 2025 (the most recent year of data available). Of the total financial aid distributions, the federal government financed \$1.51 billion, and university institutional sources provided \$1.59 billion. *(Please see Table 3 for details.)*

Enrollment

Between fall 2024 and fall 2025, university enrollment increased from 221,564 FTE to 224,911, or 1.5%, as displayed in *Table 4*. ASU enrollment increased by 4.3%, NAU enrollment decreased by (3.9)% and UA decreased by (2.7)%.
