Other Issues

University Collections and FTE Positions Adjustments

Including statewide adjustments, the FY 2026 General Appropriations Act appropriated \$61,522,800 from the University Collections Fund to UA - HSC. The Collections Fund for UA - HSC represents a portion of tuition, fees and a portion of land earnings. *(Please see ABOR Other Issues for more information.)* If collections differ from the appropriated amount, the annual General Appropriations Act includes a footnote permitting the universities to expend those amounts as well as a separate footnote requiring the submission of a report detailing any adjustments to the appropriated amounts. ABOR sets tuition independent of the legislative process. Any revised tuition rates as well as changes in enrollment

can result in collections exceeding (or being below) the appropriated amount. The Universities reported the adjustments to the University Collections Fund for FY 2026 to the Joint Legislative Budget Committee in June 2025, and UA incorporated the adjusted FY 2026 amounts as part of their FY 2027 budget submission. Accordingly, the estimated FY 2026 amount has been adjusted by \$(16,838,800) to \$44,684,000.

The FY 2026 FTE Position count has also been adjusted. The FY 2026 General Appropriations Act originally appropriated 1,044.0 FTE Positions in FY 2026 for the UA - HSC. The General Fund accounted for 541.7 FTE Positions and the University Collections Fund accounted for the remaining 502.3 FTE Positions. The estimated number of FY 2026 FTE Positions has been adjusted by (186.9) to 857.1. The General Fund accounts for 516.5 FTE Positions and the University Collections Fund accounts for the remaining 340.6 FTE Positions.
