

BALLOT PROPOSITION #200
Arizona Taxpayer and Citizen Protection Act

Fiscal Impact Summary

State law requires the Joint Legislative Budget Committee (JLBC) Staff to prepare a summary of the fiscal impact of certain ballot measures. Proposition 200 does not define the term “state and local public benefits that are not federally mandated.” Proposition 200’s provision requiring verification of an applicant’s eligibility for receipt of state and local benefits may affect the number of persons receiving benefits. The proposition’s verification requirements may affect the workload of state and local government agencies. The JLBC Staff is unable to quantify the fiscal impact of these provisions.
