1/ Represents General Fund appropriations. Amounts shown for each salary adjustment reflect the cost in the first fiscal year.

2/ Shown in Nominal Dollars.

3/ Usually applies to all state employees except where noted.

4/ Ranges from 2.0% for employees making over \$18,000 to 5.0% for employees making less than \$7,000. Certain employees making over \$40,000 did not receive a salary adjustment.

5/ Equates to approximately 4.2%.

6/ Equates to approximately 2.9%.

7/ Equates to approximately 2.44%.

8/ Funds merit increases up to 5.0%.

9/ Funds merit increases up to 4.0%.

10/ Equates to approximately 3.73%.

11/ Equates to approximately 2.6%. Universities may determine how to delineate salary funding, there is no \$1,000 guarantee.

12/ Salary Adjustment went into effect on March 11, 2006. \$39,854,000 was appropriated for the FY 2006 adjustments.

13/ Laws 2006, Chapter 1 originally appropriated \$130,241,800 for the salary adjustments. Laws 2006, Chapter 261 reduced the appropriation by \$(555,100).

14/ Equates to approximately 3.8%.

15/ Provides funding for the equivalent of a 3.0% adjustment to the Personal Services Base in the FY 2008 JLBC Baseline.

16/ Represents General Fund savings from the pay reduction that were budgeted in FY 2011, but excludes the uncaptured furlough savings realized during the FY 2012 budget process. Savings are based on 6 furlough days. See *footnote 18*.

17/ The FY 2011 General Appropriation Act assumed a fixed level of General Fund savings associated with the furlough - savings were actually \$3.4 million greater and were reflected in the FY 2012 budget.

18/ Represents 5 furlough days (1.92%) except for certain exempted positions and a (2.75)% pay reduction. Where possible, the (2.75)% reduction was intended to eliminate the FY 2007 and FY 2008 Performance Adjustments. The furlough was originally authorized for 6 days in both FY 2011 and FY 2012, while the salary reduction was permanent. Laws 2011, Chapter 26 subsequently eliminated one of the 6 mandatory furlough days in FY 2011 and all furlough days in FY 2012, but the budget did not restore any of the associated funding except for \$158,800 from the General Fund to several smaller agencies in FY 2012.

19/ Originally represented a one-time critical retention payment to state employees in FY 2013. The payments were made to non-university state employees who were uncovered on the effective date of September 29, 2012, and were equal to 5% of an employee's annual salary level prorated for the remainder of the fiscal year, increasing an employee's annual salary by an effective rate of 3.75%. This adjustment included payments to employees who were converted from covered to uncovered as a result of the 2012 Omnibus Personnel Bill (Laws 2012, Chapter 321).

20/ The FY 2014 budget annualized and made permanent the 5% one-time critical retention payment from FY 2013 for all non-university state employees who were uncovered as of September 29, 2012.

21/ Funds a 2.0% increase for all employees at the Arizona Department of Public Safety.

22/ Funds a 3.0% increase for all sworn officers and civilian staff within the Highway Patrol Division at DPS, effective July 1, 2016.

23/ Funds the first half-year of a 1.5% pay increase for all Supreme Court, Court of Appeals, and Superior Court Justices. The pay raise became effective on January 1, 2017 and will be followed by another 1.5% increase effective January 1, 2018.

24/ Funds the first half-year of a second 1.5% pay increase for all Supreme Court, Court of Appeals, and Superior Court Justices. The second year pay raise became effective January 1, 2018.

25/ Funds the annualization of the second 1.5% pay increase for all Supreme Court, Court of Appeals, and Superior Court Justices. The second year pay raise became effective January 1, 2018. Annual cost of \$195,300 reflected in FY 2018.
