

Sales Tax

Revenue % Change

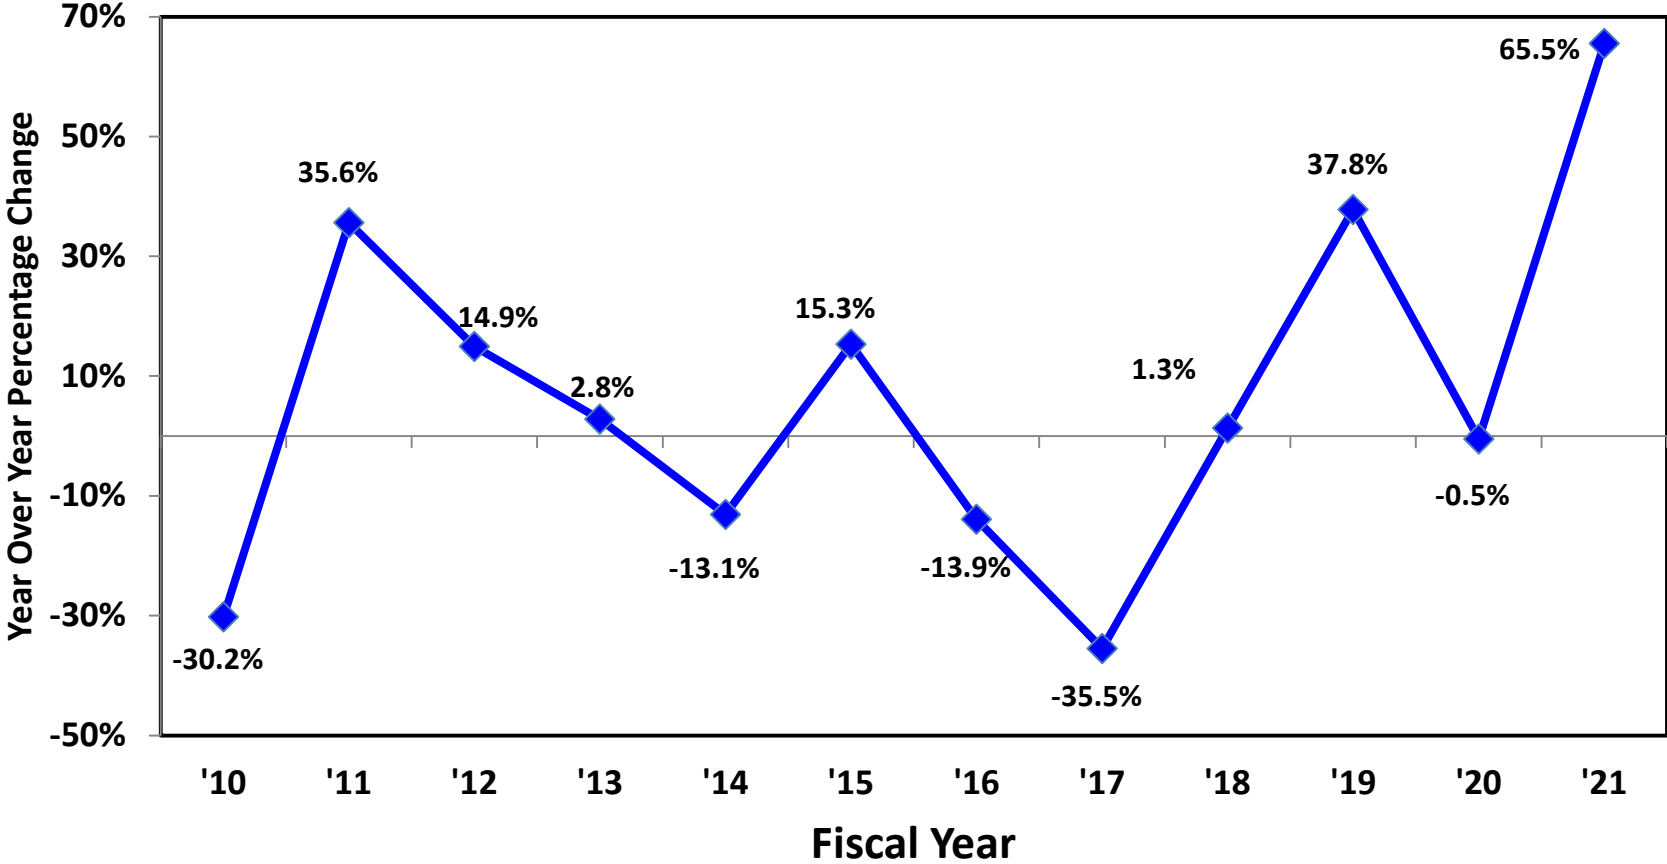

Revenue % change represents net sales tax growth, including tax law changes. It excludes the temporary 1-cent sales tax increase levied from FY 2011 through FY 2013.

Individual Income Tax Revenue % Change

- Revenue % change represents net individual income tax growth, including tax law changes.
- FY 2020 and FY 2021 growth rates exclude the impact of the 2020 income tax filing deferral.

Corporate Income Tax Revenue % Change

Revenue % change represents net corporate income tax growth, including tax law changes.
