^{1/} The state conducted another amnesty in 1982, which is not included in this chart.

^{2/} Applicable liability periods listed apply to taxpayers that file annually.

^{3/} Represents the type of liability that amnesty covers. The amount of an "established" liability is known by DOR and is recorded in the agency's accounts receivable. Alternatively, tax liability that is the result of not filing, or under reporting, is termed "not established".

^{4/} Taxpayers may choose to pay off tax liabilities at once from September 1 to October 31, 2016 or over 3 years, from September 1 to October 31 in 2016 to 2018. If a taxpayer elects the 3-year option, they must pay at least 33% of the total liability by October 31, 2016, at least 66% by October 31, 2017 and 100% by October 31, 2018.

^{1/} The state conducted another amnesty in 1982, which is not included in this chart.

^{2/} Amounts exclude distributions of TPT to local governments and other non-General Fund sources.

^{3/} Due to the exclusion of audited liabilities and general uncertainty about participation in the program, the May 2016 enacted budgeted did not include any projected revenues for tax amnesty from FY 2017 to FY 2019.

^{4/} Actual collections exclude \$33 million in audit collections that were received through the amnesty program, but that would have been collected in any circumstance.

^{5/} Actual collections exclude \$13 million in audit collections that were received through the amnesty program, but that would have been collected in any circumstance.

^{6/} Actual collections exclude \$22 million in audit collections that were received through the amnesty program, but that would have been collected in any circumstance.
